

Community Bible Conference

114th Annual Florida Conference Camp Meeting
May 23-25, 2008 — Forest Lake Academy, Apopka

Revive Us Again

Evening Program, 7:30–9:00 p.m. Karl Haffner — *Main Auditorium*

Karl, a noted author and speaker serves as Senior Pastor of Kettering Seventh-day Adventist Church in Ohio.

Passionate about intergenerational ministry, Karl is currently developing a model of ministry that connects all ages in significant ways into church life. Under his leadership, the Kettering Church seeks to align all ministries with the thematic goal of increasing intergenerational involvement. Multigenerational participation is the goal for everything the church does, including ministries such as the choir, orchestra, Sabbath School classes, small groups, and church socials.

An upcoming social event, “Are You Smarter Than a Junior?” uses Bible questions to challenge parents and grandparents to match Bible knowledge with the young people. The result of this focus is a diversity of ages that enjoys significant spiritual connections in the context of a local church.

Practicing the disciplines of spiritual revival as we wait for the Second Coming of Jesus is the topic of this evening’s message, **Can You Smell the Smoke?**
