A special evangelism offering will be received at Camp Meeting on Sabbath morning, May 24. This offering will also be received in every church throughout Florida Conference. Instead of setting a goal, each member or family is asked to inquire of the Lord how much God would have them give. As we ask for the Lord's direction, the Holy Spirit will impress each member to do what He needs for them to do. "Call to Me, and I will answer you, and show you great and mighty things, which you do not know." —*Jeremiah 33:3 NKJV*
